TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Mr. Fayyaz Nisar Shaikh**, a student of Bharatiya Vidya Bhavan's Sardar Patel Institute of Technology Mumbai, has successfully completed his industrial project internship at **Viraj IoT Solutions (VISO)**, SP-TBI, Andheri (W), Mumbai from **1st May, 2025 to 3rd August, 2025**.

During this period, the candidate demonstrated strong proficiency in embedded systems and firmware development in the field of industrial automation. He worked extensively on platforms and technologies including **STM32H7**, **ESP32**, **External ADC** interfacing, **GPS** modules, **NVIDIA Jetson Nano**, and **Embedded Linux** platforms. He consistently showed excellent technical understanding, problem-solving abilities, and dedication towards assigned tasks. He was highly enthusiastic about solving industry-oriented problem statements using embedded solutions and displayed a strong logical and analytical approach. He also proved to be an **effective team player**, contributing positively to the work environment.

We appreciate his sincerity, technical skills, and commitment throughout the internship period, and **we wish him all the best for his future endeavours**.

Viraj Kamat
CEO, VISO (Viraj IoT Solutions)
